

Bow Tuning Course

Improve your archery

Shooting well, but still want to improve?

Want some advice on your own specific equipment and technique?

Feel that there's something not quite right with your archery equipment - but don't know what it is or how to put it right?

Then come along to an improvers' session.

Over three hours, you will cover:

- how to set up your recurve bow for optimum performance
- bow tuning
- pressure button set up
- bow maintenance
- shooting techniques.

At the end of the afternoon you will understand how to maintain your archery equipment and how to make adjustments to improve your shooting.

Please bring all your equipment with you.

Please complete the application form in full and return with payment to:
